Dear Member,

On April 1, 2015 your health plan, Willamette Valley Community Health (WVCH) will make a change to the list of medicines that are covered.

The list of narcotic medicines used to treat pain will be changed. You can see a list of all of the changes at our website, www.wvchealth.org.

Some medicines will only be covered for 90 days. Your provider can contact WVCH if they want you to take that drug longer.

Some medicines are no longer paid for by the plan. Your provider can contact WVCH if they want you to keep taking a medicine that is not paid for anymore.

We are sorry if these changes cause any problems. If you have any questions about this letter or want to file a complaint, please call WVCH Customer Service at 503-584-2150 or 866-362-4794, TTY 711.

Sincerely,

Willamette Valley Community Health CCO
