Subject: Formulary change for stimulant class

**WVCH ( WVP01 BIN: 003585)**

Please be advised that the following changes will be effective 7/1/2014.

WVCH will only cover the following medications within the stimulant class:

Methylphenidate IR (Ritalin)  
Amphetamine/dextroamphetamine salts IR (Adderall)  
Methylphenidate ER (Concerta)

WVCH will implement an age restriction to the stimulant class of medications. Patients under 6 years old and over 18 years old will need approval for any stimulant medication, including the above formulary options.

The current process for Prior Authorization(s) is as follows:

During regular business hours please contact the plan: 503-584-2150 or direct member to prescriber.  
After hours contact MedImpact: (800) 788-2949 or direct member to prescriber.

Members and prescribers are being sent notices throughout this month.

*This transmission may contain confidential or individually identifiable health information (IIHI) protected under the Health Insurance Portability and Accountability Act (HIPAA) and other applicable statutes.*
